

### SETTING THE TIME AND DAY

#### SETTING PROCEDURE

#### SETTING THE DAY

1. Pull the crown out to the 2nd position to stop the second hand at 12 o'clock.
2. Turn the hour hand in a clockwise direction to set a day. You must advance the hour by 24hrs per day.

#### SETTING THE TIME

1. Turn the hour/minute hand in a clockwise direction to set the time.

*NOTE: To ensure time is set accurately, first turn the minute hand 5 minutes ahead of desired time and then turn back (counterclockwise) to the desired time.*

After setting the time, use a time signal to synchronize the watch by pushing crown to the normal position to start the second hand going.

Also make sure you have correctly set AM/PM before setting the time. (When the day changes over, it is AM)

#### SETTING THE DATE

1. Pull the crown out to the 1st position. Turn the crown counterclockwise to set the date quickly.

*NOTE: Do not set the date between the hours of 9:00 PM and 12:30 AM as the date may not change correctly the next day.*

### 2 YEAR WARRANTY

Your AARK timepiece is backed by a full two year warranty from the original date of purchase.

The warranty covers any and all parts of the watch that may need repair due to defects in materials or workmanship under normal use. AARK obligations hereunder are limited to repair or replacement at its option. The warranty excludes the battery, strap/bracelet and excessive wear or damage to the case, crystal or strap.

AARK Collective is not liable for any consequential or incidental damages, and any recovery may not exceed the amount paid for the timepiece. All implied warranties are limited to two years. Buyer is required to produce a proof of purchase upon request. The warranty may be rejected on products showing evidence of extreme use. For warranty issues, please contact AARK Collective at [service@aarkcollective.com](mailto:service@aarkcollective.com).

### TIMELESS SPECIFICATIONS

CASE SIZE.....	40mm Diameter
CASE MATERIAL.....	316L Stainless Steel
FINISHING.....	PVD Black/Gold/Brushed Steel
MOVEMENT.....	Japanese Quartz Movement
BEZEL.....	Rotating Bezel
CROWN.....	Stainless Steel
